

## Donate Your Points to Graham's Foundation

Reece (Graham's twin sister), Nick & Jenn Hall 2012

### ABOUT US

Graham's Foundation is a non-profit organization founded in 2009 by Jennifer and Nick Hall in memory of their son, Graham. Its mission is to offer both practical and emotional support to parents of premature babies. The foundation supports the parents by providing care packages during their journey in the NICU and transition home and the foundation's website provides a place for parents to share their stories and find support.

For more information visit [GrahamsFoundation.org](http://GrahamsFoundation.org)

An ongoing partnership with **Pampers** has allowed **Graham's Foundation** to reach more preemie parents in NICUs than ever before and as part of that collaboration, Pampers has included Graham's Foundation in their catalog as an official recipient of charitable donations made through their Gifts to Grow Rewards Program.

For every 100 Pampers Gifts to Grow Rewards points redeemed for Graham's Foundation with the 15-digit codes on packages of Pampers products used in your NICU, the organization receives **\$1** to help more families of preemies cope with the stress of prematurity.

### EASY as 1 2 3

- 1** Collect the Pampers Gift to Grow Rewards codes on packages of Pampers diapers and wipes.
- 2** Send the codes directly to Graham's Foundation or give them to your NICU Ambassador.
- 3** Your NICU Ambassador will redeem the points for Graham's Foundation on behalf of your NICU.

Please show Pampers that you believe in the Pampers Miracles program and help us continue to fulfill our mission by sending the Pampers Gifts to Grow Rewards Points you collect in your NICU to Graham's Foundation. Together, we can reach more parents of preemies than ever before and ensure that every new mom and dad knows there are people, professionals, brands, and organizations that care.
