Prematurity isn't just a medical issue. It's a family issue. Parents of Preemies Day is an international day of awareness honoring the courage and commitment of moms and dads who give their all for their premature babies and kids. Through the ups and the downs, they are their babies' medical advocates, cheerleaders, decision makers, and a source of comfort that only loving arms can provide.

On Parents of Preemies Day, we want you to know that we see you and all you do for your preemie! And we appreciate your presence and your involvement in your baby's care. The unique milestones you are celebrating with your little one are worthy of celebration and so are you.

JOIN US SUNDAY, MAY 7, 2017 AS WE RECOGNIZE THE COURAGE AND COMMITMENT OF PARENTS LIKE YOU!
