

Statement in Response to Civil Unrest

June 5, 2020

Graham's Foundation recognizes that this is a turbulent time in our country and in our world. As always, we celebrate the birth of all babies -- regardless of race, ethnicity, or social background. To those who are hurting, know that Graham's Foundation stands with you and supports your right to be seen and heard.

We remain committed to our mission to support, comfort, inform, and guide families that experience a premature birth. We are here for all preemie parents that seek our help. We are honored to serve them, especially during this challenging time.
