### **Graham's Foundation Welcomes Grady Grant, III, to Board of Directors**

We are pleased to announce that Grady Grant, III, has joined our board of directors. Grant's extensive background in executive sales and marketing will help the organization continue to grow.

"As we pursue our goal of reaching more parents of preemies, I am excited to have Grady join our Board," said Nicholas Hall, founder and president of Graham's Foundation. "Grady brings over 35 years of business experience to our team. He has held a number of executive-level positions in organizations such as Mead Johnson Nutrition and Eli Lilly. His knowledge and expertise will be a great addition to an already strong board."

## Thanks for the Loveys!

Earlier this year, we asked for volunteers to create "Little Lovey" scent cloths. Since then, we have received hundreds of beautiful, hand-made Loveys. Each [NICU Care Package](#) includes a Little Lovey scent cloth. Parents keep the Lovey next to their skin to absorb their scent. Then the Lovey is placed in the isolette so baby can continue to bond with its parents even when they're unable to be there.

We want to say a big **"THANK YOU!"** to all the talented people who have so generously donated their time to this project. If you'd like to help with this effort, our need for Loveys is ongoing.
